Hi Chip,

The LWG would like to schedule the two day presentation of the draft FS between Monday, April 23rd and Thursday, April 26th. Please let me know which of these dates work best for the agency team.

When we schedule the dates it would be helpful if you could provide an estimate of the number of people that may attend the meeting. A rough estimate is fine because we can sort out details as we get closer.

Thank you,

Thank you, Chip. We were thinking mid April as well.

I have a few questions into the Anchor QEA FS team to verify this timeline will work and the number of days we think we need for the meeting. I will get back to you with that information probably later this week.

Thank you,

Jen

Following up on my previous email, we were thinking of early to mid April,

Chip

Hi Chip,

As we discussed during the December Portland Harbor Managers meeting, we need to begin looking into dates for the draft FS presentation. Have you discussed this with the agency team at all? Do you have any dates that you would like the LWG to consider?

Thank you,
